

## 2.6 Exchange programs

### (1) The ALRC Researchers' Travels Abroad

#### **Brazil**

*Tamai, S.* (16 Nov.1995-14 Dec.1995) : Research on conservation of sand dunes in northeast Brazil, funded by Japan International Cooperation Agency

*Yamanaka, N.* (18 Jun.1995-18 Jul.1995) : Research on sand dune ecosystems in northeast Brazil, funded by Japan International Cooperation Agency

#### **Egypt**

*Yano, T.* (26 Apr.1995-10 May 1995) : Irrigation and drainage in Egypt, funded by Egyptian Government

*Yano, T.* (29 May 1995 - 7 Jun.1995) : Field irrigation management in Mexican arid lands, funded by Japan International Cooperation Agency

*Toyama, M.* (8 Jul.1995-15 Jul.1995) : Investigation on the Effect of Using Water Holding Substance on Desert Areas, Private Expenses

*Toyama, M.* (26 Sep.1995-3 Oct.1995) : Investigation on the Effect of Using Water Holding Substance on Desert Areas, Private Expenses

#### **Iran**

*Kamichika, M.* (10 Sep.1995-22 Sep.1995) : Sustainable development of irrigated agriculture in arid land, Monbusho Grant-in-Aid for Scientific Research

*Yamamoto, T.* (6 Apr.1995-16 Apr.1995) : Sustainable development of irrigated agriculture in arid land, Private expense

#### **Islamic Republic of Pakistan**

*Otsuki, K.* (11 Sep.1995-23 Sep.1995) : Investigation to establish a monitoring system for the management of agricultural water resources, funded by The Japanese Institution of Irrigation and Drainage

#### **Kazakhstan**

*Yano, T.* (20 Aug.1995-3 Sep.1995) : Development of technology for rehabilitation of salt accumulated soils in the Central Asia, funded by Taisei Corp.

#### **Kenya**

*Yano, T.* (28 Feb.1996-30 Mar.1996) : Soil and water in arid lands in Africa, funded by Japan International Cooperation Agency

#### **Mexico**

*Yano, T.* (29 May 1996-7 Jun.1996) : Researches on field irrigation management in the arid lands in Mexico, funded by Japan International Cooperation Agency

#### **Netherlands**

*Sugimoto, Y.* (1 Mar.1996-30 Aug. 1996): Chemical control of growth of parasitic plants, Allocation from Monbusho

#### **The People's Republic of China**

*Otsuki, K.* (9 Aug..1995-21 Aug.1995) : Sustainable development of irrigated agriculture in arid land, Monbusho Grant-in-Aid for Scientific Research

*Inanaga, S.* (14 Sept. 1995-19 Sep.1995) : Fundamental studies on development of technology for sustainable biological production in East Asia, Monbusho Grant-in-Aid for Creative Basic Research

*Toyama, M.* (29 Mar.1995-5 Apr.1995) : Investigation on the Effect of Using Water Holding Substance on

Desert Areas, Private Expenses

*Toyama, M.* (30 Apr.1995-6 May 1995) : Investigation on the Effect of Using Water Holding Substance on Desert Areas, Private Expenses

*Toyama, M.* (29 Jul.1995-5 Aug.1995) : Investigation on the Effect of Using Water Holding Substance on Desert Areas, Private Expenses

*Tamai, S.* (28 Jul.1995-8 Aug.1995) : Research on revegetation in semi-arid areas of Inner-Mongoria, Private expenses,

*Yamanaka, N.* (28 Jul.1995-8 Aug.1995) : Research on revegetation in semi-arid areas of Inner-Mongoria, Private expenses

*Yamamoto, T.* (8 Jul.1995-17 Jul.1995) : Sustainable development of irrigated agriculture in arid land, Monbusho Grant-in-Aid for Scientific Research

### **The United Arab Emirates**

*Toyama, M.* (30 Aug.1995-3 Nov.1995) : Investigation on the Effect of Using Water Holding Substance on Desert Areas, Private Expenses

*Toyama, M.* (22 Nov.1995-29 Nov.1995) : Investigation on the Effect of Using Water Holding Substance on Desert Areas, Private Expenses

*Toyama, M.* (25 Dec.1995-6 Jan.1996) : Investigation on the Effect of Using Water Holding Substance on Desert Areas, Private Expenses

### **USA**

*Takeuchi, Y.* (8 Jan.1996-29 Jan.1996) : Studies and Research on Presents and Development of Agricultural Utilizing of Coast, Allocation from Monbusho

*Yamamoto, T.* (29 Mar.1995-5 Apr.1995) : Application of artificial bed soil with continuous fiber for desert revegetation, Allocation from the University Funds

*Inoue, M.* (28 Feb.1995-27 Dec.1995) : Studies on soil management for arid land agriculture, Allocation from Monbusho

*Inoue, M.* (19 Feb.1996-27 Mar.1996) : Co-operated research on the parameter estimation by soil water multi-step extraction method in situ, Private Expenses,

## **(2) Visiting Scholars and Trainees from Abroad**

### **1) Researcher**

#### **Ghana**

*S. K. Agodzo* (1 Apr.1995-31 Mar.1996) : Irrigation schedules and water management through evapotranspiration monitoring, funded by JSPS

#### **USA**

*J. Simunek* (26 Mar.1996-15 Apr.1996) : Three-dimensional solute transport for irrigation scheduling in arid land fields

### **2) Trainees**

#### **Sri Lanka**

*W. M. Thilakarathna Khalifa* (25 Aug.1995-31 Oct.1995) : Water management for irrigation schedules, funded by Japan International Cooperation Agency

#### **Niger**

*Admou Abdou* (10 Apl.1995-14 Apl.1995) : Silviculture, funded by Japan International Cooperation Agency

*Mounkaila Zakou* (3 Mar.1996-11 Mar.1996) : Silviculture, funded by Japan International Cooperation Agency

*Zakara Anza* (3 Mar.1996-11 Mar.1996) : Silviculture, funded by Japan International Cooperation Agency

### **Senegal**

*Mansour Diop* (3 Mar.1996-11 Mar.1996) : Silviculture, funded by Japan International Cooperation Agency

### **Tanzania**

*Vivian Melchior Kimolo* (3 Mar.1996-11 Mar.1996) : Silviculture, funded by Japan International Cooperation Agency

## **3) Research Students**

### **The People's Republic of China**

*Ma Yongqing* (27 Jan. 1995-31 Mar. 1996) : Effect of aqueous extracts from wheat straw on growth of maize

*An Ping* (23 Jan. 1996-31 Mar. 1997) : Biochemical research of salt tolerance in crops

*Ma Jian Rongl* (1 Jul.1995-31 Dec.1995) : Revegetation and conservation of forests for sustainable development of agriculture in arid areas

*J. Wei* (18 Oct.1995-31 Mar.1996) : Mechanism and measure against water and soil erosion in the Mu Us Shamo Desert
